OUR History

SRT Enterprise founded by Mian Muhammad Sarwar in 1998. Basic characteristic or competitive edge of the company is self-finance working capital. We started this journey with 03 fabric circular knitting machines. In 2002 we extended this project with 06 fabric knitting machines after four years hard work and dedication.

In 2011, we had diversified our business from fabric knitting into garments manufacturing (Cut to Pack) with 30 sewing machines & capacity of 10000 garments per month. By continuous struggle we have extended this over 200 sewing machines with a production capacity of 100 K garments per month.

SRT Enterprises for quality clothing industries, is one of the leading knitted garments manufacture and exporter company in Pakistan. We are SEDEX, GOTS, GRS and WRAP certified company and producing 8000-10000 dozens garments per month.

Our product vary from standard T- shirt, Polo shirt, track suits, fleece hoody, fleece jackets, fleece sweat shirts, shorts, fashionable and stylish garments which conform to the quality standards and the customer's requirements.

SRT Enterprise has great skill, motivation, determination, innovation, and persistence and quality standards and is firmly adhered to the international quality norms and always exploit these good principles to its employees to get the best out of them.

The company offers all services one-stop customized order. Our emphases is on quality deliver and fair pricing. The business ethics honesty and confidentiality our strength.
